

Ronceverte River Festival Pageants Present the

2022 Snow Queen Pageant

Contestants will be competing in 3 different age categories for 3 different titles.

Ages Birth to 9 - Ice Princess

Ages 10 to 15 — Snow Teen Queen

Ages 16 to 21 — Snow Queen

This Pageant is open to the entire state of West Virginia and surrounding counties in Virginia. The Snow Queen Pageant is not sanctioned by West Virginia Fairs and Festivals, and will not qualify you to compete for state titles. Current title holders of other pageants are welcome to take part if their Pageant Director approves. That being said, there are some requirements, regardless of where you may live. We require all winners to make an appearance on December 24th in order to receive their prizes. It's been a tradition from the beginning, and we want to keep that going. Winners are also respectfully requested to appear in the Ronceverte River Festival Parade in June, and if possible, in next year's Christmas Parade.

The Prizes

In addition to a Crown and a Sash, winners will receive:

- The Princess will receive a VISA Gift Card for \$100
- The Snow Teen Queen will receive a Scholarship Check in the amount of \$250
- The Snow Queen will receive a Scholarship Check in the amount of \$500

Registration has been extended until December 7, 2022. Contestants must fill out the registration form and return it with a picture (of the contestant) by December 7. Voting will be open to the public and will be online for this event and in person. Our first in-person voting event will be December 9th at the Clifford Community Center in Ronceverte from 5 to 9 PM during the Ronceverte Christmas Open House. Voting will run from December 8, 2022 until December 22, 2022. Each vote will be \$1. You may vote as many times as you like, and in any amount. The winners will be those in each title category with the highest number of votes.
